____ THE PRODUCTION

In this hilarious and biting adaptation, Roddy Doyle brings Nikolai Gogol's classic comedy to life with a contemporary twist.

A community falls into panic and chaos when news arrives that a government inspector is coming to town. With Roddy Doyle's signature wit and sharp social commentary, *The Government Inspector* is a timeless tale of brown envelopes, bailouts, and the lengths people will go to protect their own interests.

* Welcome back to our Lir graduates working on this production from our MFA in Stage Design (Set, Costume & Lighting).

This amateur production of *The Government Inspector* is presented by arrangement with Curtis Brown Group Limited.
