CHAOS

BY LAURA LOMAS

_THE PRODUCTION

A girl is locked in a room; a boy brings another boy flowers; a girl has tied herself to a railing; a boy doesn't know who he is; a girl worries about catastrophe; a woman jumps in front of a train; a boy's heart falls out his chest; a butterfly has a broken wing.

Chaos is a symphony of dislocated and interconnected scenes. A series of characters search for meaning in a complicated and unstable world. Bouncing through physics and the cosmos, love and violence, they find order in the mess of each other.
